California’s 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. The following is a one-time mid-year report to the local governing board or body and educational partners related to engagement on, and implementation of, these Acts.

A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2021-22 Local Control and Accountability Plan (LCAP).

ICS increased efforts to engage our partners in several ways during the 2021-2022 school year. School team bi-weekly meetings that includes Administration, Teacher, and Staff. Each month we held parent meeting, department committee meetings, and monthly SSC/ELAC meetings that included students, administration, community partners, classified staff, certificated staff, parents and guardians. On October 22, 2022, we had our LCAP community engagement meeting that involved board members, local community-based organizations and partners, parents, students, school staff, and administration to review LCAP goals one, two and three. These efforts were improved through the LCAP development process. Iftin will continue to engage educational partners regarding the additional state funds that will be spent in the 2021-22 school year (the Cost-Of-Living-Adjustment, the 15% increase to concentration funds, the ARP Homeless Children and Youth Fund, and additional Special Education funds). ICS will collect surveys from partners and the feedback will help to inform our decisions.

A description of how the LEA used, or plans to use, the additional concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.

ICS has an enrollment of unduplicated pupil which includes 89% student are economically disadvantaged. 70% of students are English Learners. We will use the concentration grant add-on funding to hire additional teacher and instructional aide staff to provide direct services to students, through instruction and supervision. The increased staffing plans will help to alleviate the staffing shortage and provide more coverage. ICS will continue to support direct instruction and the social emotional well being of all students.

A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.

ICS acquires regular feedback from educational partners. Through community forums and surveys are what guides the recommendations and decisions. We surveyed families in May 2021, August 2021 and October 2021. The group discussions were meaningful in discussing the impact of the pandemic, distance learning, social emotional needs and academics. More importantly, we ensured the safe return to in-person instruction. Overall feedback gathered helped to inform the use of federal funds.

We worked collaboratively to mitigate the student learning loss and increased access to mental health services, through our school psychologist and counselors.

A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.

ICS prioritizes the safety and well-being for all. ICS ensures the continuity of services by ARP action 2021.

Successes

We increased our Certificated and Classified staffing needs to ensure ESSER III expenditure plans are met. ICS has developed an ongoing of professional development focused on strategies to engage students and provide additional support. Additionally, ICS offers academic intervention opportunities for all students during school and after school while addressing the social-emotional supports.

Challenge

Regularly monitoring of County Health guidelines. Implementation requirements are changing, so continuing to update school safety plan for students and staff. Ensuring our community is educated of new requirements.

Staff shortages made it difficult to cover vacant positions and maintaining the continuity of the classroom. Due to the increase of COVID-19 variant, there is a decrease in student attendance.

A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA’s 2021–22 LCAP and Annual Update.

ICS LCAP is the living document that addresses state priorities, goals and actions to improve student outcomes. The additional funds received supports the goals of our LCAP;

Goal 1: Student Outcomes: Ongoing Professional Development

Goal 2: Engagement: Integration of Social-Emotional learning/ Expand parent/guardian involvement

Introduction

California’s 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. Section 124(e) of Assembly Bill 130 requires LEAs to present an update on the Annual Update to the 2021–22 LCAP and Budget Overview for Parents on or before February 28, 2022, at a regularly scheduled meeting of the governing board or body of the LEA. At this meeting, the LEA must include all of the following:

- All available mid-year outcome data related to metrics identified in the 2021–22 LCAP; and
- Mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

When reporting available mid-year outcome, expenditure, and implementation data, LEAs have flexibility to provide this information as best suits the local context, provided that it is succinct and contains a level of detail that is meaningful and accessible for the LEA’s educational partners.

The 2021–22 Supplement is considered part of the 2022–23 LCAP for the purposes of adoption, review, and approval, and must be included with the LCAP as follows:

- The 2021–22 Supplement
- The 2022–23 LCAP
- The Action Tables for the 2022–23 LCAP

In responding to these prompts, the LEA has flexibility to reference information provided in other planning documents. An LEA that chooses to

In general, LEAs have flexibility in deciding what funds are included in the LCAP and to what extent those funds are included. If the LEA received funding through the Budget Act of 2021 that it would have typically included within its LCAP, identify the funds provided in the Budget Act of 2021 that were not included in the LCAP and provide a description of how the LEA has engaged its educational partners on the use of funds. If an LEA included the applicable funds in its adopted 2021–22 LCAP, provide this explanation.

Prompt 2: *“A description of how LEA used, or plans to use, the concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.”*

If LEA does not receive a concentration grant or the concentration grant add-on, provide this explanation.

Describe how the LEA is using, or plans to use, the concentration grant add-on funds received consistent with California *Education Code* Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

In the event that the additional concentration grant add-on is not sufficient to increase the number of staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, describe how the LEA is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Prompt 3: *“A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.”*

If the LEA did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impacts of distance learning on students, provide this explanation.

Describe how and when the LEA engaged its educational partners on the use of one-time federal funds it received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on students. See the COVID-19 Relief Funding Summary Sheet web page (<https://www.cde.ca.gov/fg/cr/relieffunds.asp>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<https://www.cde.ca.gov/fg/cr/>) for additional information on these funds. The LEA is not required to describe engagement that has taken place related to state funds.

Prompt 4: *“A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.”*

If an LEA does not receive ESSER III funding, provide this explanation.

Summarize how the LEA is using its fiscal resources received for the 2021–22 school year to implement the requirements of applicable plans in a manner that is aligned with the LEA’s 2021–22 LCAP.
